LANGFORD HOUSE,
RICHMOND ROAD,
BANGALORE.

22nd September 1920.

I enclose for His Highness' kind perusal a letter received from Mr.Howley on the Kannambady Arbitration case. I think the letter is fairly satisfactory as it practically meets all our points except one which, after all, is not of very great importance. My first impression is that we should not concede on this point for, we have gone as far as we possibly could. But I have hopes that this letter will bring about a satisfactory solution.

His Highness may be pleased to note that the letter is dated the 18th September 1920 and my conference with Sir thomas Ward and the Resident at Simla took place on the 11th. The communication from the Government of India to Madras must have reached on the 16th. So, the present communication from Madras is evidently the result of my ~~maxim~~ some action that the Government of India took in the matter subsequent to the discussion I had at Simla.

Yours sincerely,

Mirza M.Ismail, Esq., B.A.
